

# SUPER-ATTRACTORS TRAPPED IN AN ELLIPTIC FRUSTUM

Benjamin Favier & Stéphane Le Dizès

Billiard problem in a Bunimovich stadium

Ray tracing and viscous solution in a rotating fluid

# SUPER-ATTRACTORS TRAPPED IN AN ELLIPTIC FRUSTUM

Benjamin Favier & Stéphane Le Dizès

- What happens to attractors in 3D?
- What is a super-attractor?
- What the hell is a frustum and why should it be elliptic?

Teaser here  $\Rightarrow$
